TRENDBOOK

trendy i inspiracje wnętrzarskie

interior trends and inspirations

Szanowni Państwo,

w drugiej edycji TrendBook'a zabieramy Was w podróż po świecie nowoczesnego wzornictwa, gdzie kolor i detal tworzą spójne wnętrza jak nigdy dotąd.

W nowym wydaniu rozszerzamy naszą inspirującą kolekcję o cztery wyjątkowe style: **Japandi**, **Modern Farmhouse**, **Modern** oraz **Eclectic**. Każdy z nich ukazuje inne podejście do aranżacji przestrzeni – od harmonijnej prostoty, przez przytulną nowoczesność, po śmiałą ekspresję i kreatywny eklektyzm. Wprowadzając te stylistyki, odpowiadamy na potrzeby projektantów i użytkowników, którzy szukają wnętrz autentycznych, funkcjonalnych i pełnych wyrazu.

W tej edycji Trendbook'a to **kolor** wysuwa się na pierwszy plan jako element o szczególnym znaczeniu. Prezentujemy tutaj nowe wykończenia kolorystyczne gałek, uchwytów i wieszaków. Zostały one **starannie dopasowane** do siedmiu wyjątkowych dekorów firmy EGGER: od subtelnego kaszmiru, przez szarości i zielenie, aż po głęboką czerwień granatu. To precyzyjne połączenie barw pozwala tworzyć wnętrza spójne, stylowe i perfekcyjnie wyważone w każdym detalu.

Nowe wydanie Trendbook'a to nie tylko zbiór inspiracji. To przewodnik po świecie, w którym gałka, uchwyt czy wieszak staje się subtelnym detalem albo odważnym manifestem stylu. To właśnie świadomy wybór kolorów i faktur otwiera nieskończone możliwości aranżacyjne i daje prawdziwą satysfakcję.

Dobierz z nami wyjątkowe kolory akcesoriów meblowych do wybranych dekorów EGGER!

Kreuj z nami przestrzenie pełne harmonii lub wyrazistych kontrastów!

Dear Sir or Madam,

in the second edition of our TrendBook, we invite you to embark on a journey through the world of contemporary design, where color and detail unite to create interiors more cohesive than ever before.

This new edition introduces four captivating styles to our collection: **Japandi**, **Modern Farmhouse**, **Modern**, and **Eclectic**. Each offers a unique perspective - harmonious simplicity and inviting modernity to bold expression and creative eclecticism. With these additions, we're responding to the growing demand from designers and design lovers alike - those who seek authenticity, functionality, and spaces full of character.

In this edition of the Trendbook, **color** steps into the spotlight as a powerful and inspiring design element. We're excited to unveil our new finishes for knobs, handles, and hooks – **perfectly curated** to complement seven outstanding EGGER decors. From the soft elegance of cashmere and refined greys to vibrant greens and the deep allure of garnet red, each finish is designed to elevate your space. With precise tone-on-tone coordination, you can create interiors that feel effortlessly cohesive, stylish, and refined down to the last detail.

The new TrendBook is more than just a source of inspiration – it's your guide to a world where every knob, handle, and hook becomes either a subtle accent or a bold style statement. Carefully curated colors and textures unlock endless possibilities for creating truly distinctive interiors and bring genuine satisfaction.

Discover how to choose the perfect furniture accessory colors to complement your selected EGGER decors!

Together, let's create spaces that are either harmoniously balanced or strikingly contrasted!
